Since we must pay for the entire order on delivery this program is available on a **first come first serve basis** and payment in advance is required. Decorations are placed by garden one at a time and stay in place until March 1 or until the product fails to look presentable. Most years the product stays nice all winter but winter weather can be unpredictable.

Orders should be received before December 1, 2018. Thank you for participating in the Christmas Program. We appreciate your support.
