### **Cremation Burial Information Miami Memorial Park Cemetery**

The following information further describes the 2 different types of Cremation Services at Miami Memorial Park and Cremation Urn (Urn) size interment fees.

#### **Full Cremation Service**

Cremation Service includes opening and closing of grave, tent, chairs, and table on a specific day and time. Advance appointment date and time for service is made directly with the office staff who will confirm your arrangements.

#### **Cremation Drop Off**

The cremation urn is to be delivered to the cemetery office during office hours and left with office personnel. No one can be present at the burial other than our employees performing the burial. The burial completion will happen at the cemetery staff's convenience (at a later date). A photograph can be requested in advance and emailed of the urn placement.
