

Prepaid Burial Arrangements

Give your family the extreme act of generosity and caring by arranging your memorialization now with a prepaid burial plan. This type of planning is called "PRENEED" by the industry.

Prepaid burial arrangement benefits

- + Your preferences and desires are guaranteed
- + Lock in today's prices and avoid the higher burial expenses of tomorrow
- + Have the security and comfort of knowing your final arrangements are completed
- + Control the way that you want to be remembered by family and friends
- + Prevent unnecessary emotional overspending by grieved family members
- + Avoid burdening your family from making arrangements in their time of duress

Pre-planning includes

- + Investigating funeral service expenses
- + Learning cost of burial sites, burial vaults, burial markers, mausoleum space, cremation niches, cremation urns, plaques, and other items
- + Advance pricing and payment information can create major savings (discounts) for purchasing in advance (Preneed) that should be a motivator for anyone
- + Preparing forms and other documents with no pressure on you which makes it a much more pleasant experience for you
- + If total purchasing funds aren't available now, you can make the necessary financial commitment through good estate planning.
